IGNACIO—DISTRICT 21

All the teachers of the district attended the district meeting of the Colorado Teachers' Association at Durango Friday and Saturday of last week. They report a very good meeting.

A spray of flowers was presented to the John Anderson funeral by the Ignacio school students and by the faculty members of the district. The school and faculty extend their heartfelt sympathy to the bereaving family.

Members of the Board of Education have applied to the FERA and the County Commissioners of La Plata County to complete the athletic field west of the school buildings. If the plans materialize work will begin at the beginning of next week.

Grant Rulon of Western State Teachers' College, Gunnison, Colo., paid the High School a visit Thursday. He gave a talk to the students, which was enjoyed by all. Come again, Mr. Rulon.

A Boys' Scout meeting was held in the school building Monday evening. Plans were outlined for the work for the coming year. Those attending the meeting were: Ralph Greenthal, Scout commissioner for the district; L. A. Hancock, Scoutmaster; Marvin Potter, committee-man; Walter Houser and Edwin A. Zabel, superintendent of schools, new members of the committee. The first meeting of the troop will be held Wednesday night at 7:30 o'clock. All boys over 12 years of age are invited to attend. The school board are sponsors of the troop.

The High School is glad to welcome Joseph Tree back to classes. He was the High School artist, last year, many of his pictures showing great talent.

Walter Houser was elected

to Durango. He has many constructive ideas for next year's meeting of the section.

The caste for "The Glow Light of San Rey" is as follows: Anne Smith----Theresa Lucero Marion Henderson

-----John Anderson, jr. Charity Brinlee-Barbara Poulson Harry Harleston----Sack Rivas Ellen Carstairs--Shirley Earngey Mr. Henderson-Tommy Peterson Bill Smith-----Howard Waller Mrs. O'Brien-----Aloha McCaw Maggie Murphy, Alene Thompson Nora Clancy-----Dora Boggs Jake Black-----Ray Martinez

The Dramatics Class is presenting a Columbus program on Friday that promises to be interesting.

The San Juan Fine Arts contest is under way for this year. At a meeting in Durango on Saturday they elected a board of control with power to act on all questions pertaining to the contest. Miss Donna M. Smith of Ignacio was elected secretary of this board.

Third Grade Notes
The third grade class is working on a Columbus Day project. We will have the landing of Columbus represented on our sand table. Bob Burton.

Primary School Notes
The primary department is making very favorable progress with an enrollment to date of 72 children.

Second grade is much interested in their farm project, while the first grade are preparing for Halloween.

Seventh and Eighth Grades
We are going to organize a boys' basketball team as soon as the outdoor court is finished. We hope to be able to play the High School as well as other grade teams in the neighborhood.

Because of the teachers' convention in Durango last Friday, we had only four days of school.

The following pupils from our room went into Durango last Saturday and played in the har-

monica band, which rendered three numbers for the teachers:

Marie Frazier, Ray Casias, Robert Dickey, Rosemary Stevens and Victor

We hope that the short stories we handed in last Thursday will be an inspiration for some of us to become authors.

Lowell School Holds Fair

Thursday afternoon the pupils of Lowell School District No. 10 held a fair at school. A good number of parents and friends attended.

Gardening, sewing and manual training products were exhibited. Many blue and red ribbons were given.

EDITORIAL

Let's Vote for the Pine River Valley!

Next November 6 the voters residing in the Fourth Congressional district, composed of 24 counties, of which La Plata County is an important section, are going to have the opportunity to vote for a candidate to represent the district in the Seventy-fourth Congress. There are two candidates, namely: the present incumbent, the Hon. Edwin T. Taylor, a Democrat, and Harry T. McDevitt, editor and principal owner of the Herald Publishing Co., publishers of the Herald-Democrat, the only daily newspaper in the San Juan Basin.

For business and other reasons too numerous to mention, The Ignacio Chieftain is supporting Mr. McDevitt, and believes every voter in the San Juan Basin within the district is justified in voting for him. Mr. McDevitt's home is our home, and it is natural to suppose that if Mr. McDevitt is elected to Congress he will have a heart interest in his home, which is equivalent to saying all homes will reap some benefits.

If Mr. McDevitt is sent to Congress it will not be necessary for Pine River Valley folk to send a special envoy to Washington, at their expense, to look after their interests. He is one of this section's most ardent supporters of the proposed 2 million dollar reservoir north of Bayfield on the Pine River, and for a long time he has vigorously advocated federal pensions for old people.

Let's go to the polls November 6 and vote as a unit for the Pine River Valley by casting our ballots for Harry McDevitt for Congress.

Magic Flower

Miss Ruth Mayland of Chicago holds the more or less sacred night blooming cereus in her hands and explains the charm of this flower that blooms but for one hour, one night each year. The roots of the cereus sometimes weigh as much as 25 pounds and are supposed by some native Mexicans to be a panacea for all pulmonary ailments when made into medicine. Its blooming is the occasion of a "festa," and one was held in the streets of the Mexican Village at the now World's Fair.
