IGNACIO—DISTRICT 21

High School Notes.

The following members of the English class went to Durango to see "Treasure Island" at the Kiva, last week. They are studying this classic of Stevenson in English. Ruby Bird, Lois Flint, Elizabeth Neher, Barbara Poulson, Clarence Hoskins and Harry Mowbray, were in the party, chaperoned by Miss Donna Smith.

The cast selected for "The Glow Light of San Rey," a delightful three-act play, is hard at work, and they promise to turn in a fine job of acting.

Helen Hobson, last year's graduate, and now living again in Durango, visited the High School Tuesday and expressed pleasure in the many improvements that have been made.

Miss Edith McDermott, Ellis D. Barnes and many of the High School students attended the game at Bayfield between Bayfield and Aztec.

Freshman Notes.

The Freshman class certainly enjoyed the Senior party, Sept. 20, sponsored by Miss Donna M. Smith.

We thank Mr. Barnes for the treat he gave the High School, Friday. It was enjoyed by all.

Many attended the football game at Bayfield Friday afternoon.

Student Body Meets.

Friday, Sept. 26, a meeting of the student body was held. Awards will be given at the end of each semester to the best all-around boy and girl. That is to say, the boy and girl who have the best school spirit. Superintendent Zabel and the faculty and four students, to be appointed, will decide how students will

A sweater will be given as a special award by Prof. Barnes to the boy who best meets certain requirements, which he, with the help of several boys from the student body, have made.

At the close of the period Mr. Barnes played Santa Claus and presented each student with a popsicle. The period was ended by singing some of the school songs, accompanied by Miss Smith.

Sixth Grade.—There are 21 pupils in the Sixth grade. Irene Silva entered this week, making 22. Lucy Vialdando also entered late.

In our drawing class we have been drawing flowers. We have drawing on Monday, Wednesday and Friday of each week, and music the other two days.

Third Grade Notes.

There are 19 children in our room. We have a new girl today. Her name is Ila Faye Oliver. We like our new workbooks and hope to learn more now that we have them. Only one pupil in our room had a birthday in September.

Evelyn Wade.

Fourth Grade.

The first thing the 4th grade did this year was to learn to play on the mouth-harp. We have learned to play "Old Black Joe" and "Oh! Susanna" and "Old Folks at Home."

The 4th grade are glad because we have a new girl in school, Wilma June Waller.

We are sorry because there is a girl, Mary Gallegos, in the hospital.

There are 18 girls and 14 boys in our room. Miss Schlaepfer is our teacher.

We have put up some character posters on the back of our room,

Betty Floyd, Olive Labato, Mary Martinez, Ila Mae Moser, Margaret Mulien, Celia Salazar, Richard Copeland, Teddy Floyd, Gilbert Martinez, Robert Payne,

Joe Sandoval and Albino Valdez have been neither absent or tardy.

Piedra School Reopens.

Thru the efforts of the school board, Ed. Pargin, D. B. Martin and Mrs. Lola Burster, Piedra School District No. 4 was reopened on Monday, Sept. 24, after being closed for several years. These progressive people realize that a good school is an asset to the community and are making strenuous efforts to stimulate neighborhood interest in local education.

The teacher, Mrs. Hattie B. Kimball, has added the ninth grade to the curriculum.

Plans are on foot to raise money to increase the present available funds so that school may continue as long as possible.

Four Mexicans—Ullabra Aro-

gon, Joe Reverly, Joe Rivas and

Attencio—were arrested in

Ignacio, this week, by Federal

officers, charged with selling

whisky to Indians. They were taken to Pueblo this Friday morning. Now the "big shots" will not have to worry over petty competition. (Ill, no help and a bit late we cannot give the low-down on this travesty, but we'll give it next week, and it will be handled in true Chieftain style.)

Frank Morse, near Ignacio, on Route 1, is going to plant a shelterbelt on his farm next spring, according to Extension Forester R. E. Ford.

Letters "SS" in Documents
The letters "SS" in legal documents are the abbreviation of the Latin word "scilicet," which means "to wit," "that is to say," "namely." The word "scilicet" in English is pronounced "sil-iset," with the accent on the first syllable. It is derived from two Latin words, "scire," to know, and "licet," it is permitted. Hence "scilicet" literally means "it is permitted to know." Like many other Latin abbreviations, the letters "SS" are a relic of the days when all legal documents in England were written in Latin.

Most Popular Names
An archeological study, carried back to 1066, the date of the Norman conquest, reveals the most popular names to have been, in order: William, Robert, Ralph, Roger, Richard and Godfrey. There are fashions in various centuries, but over the whole period these are the most used. William has a long lead over the nearest competitor.

First Police Department
The basis of the modern police organization was an act of the New York legislature in 1844, providing for a consolidated "day and night police." During the next few years similar measures were taken in Boston, Philadelphia, Chicago, New Orleans, Baltimore, Newark and Providence.

Bremen's Lead Cellar
The famous Lead cellar of the cathedral of St. Peter in Bremen is so called because the lead for the roof was melted there. Because of the unusually dry air, bodies buried within it have become mummified, the oldest having been there over 400 years and still is in an undecayed condition.
