Beach Brothers Purchase Pierce Stock And Store Property at Bayfield, Colorado

Bert Beach and Harry Beach have bought the large stock of groceries and hardware, together with the big store building, at Bayfield, Colo., that belonged formerly to the late A. R. Pierce, who died, suddenly, Sunday, May 6, this year.

The deal, closed Thursday of this week, is one of the largest and most important that has occurred in Pine River Valley since the panic of 1929 upset the commercial world, and indicates that the Beach brothers have an abiding faith in human agencies and the resources of the Pine River Valley.

The transaction was handled by L. B. Hills, of Osage, Iowa, a nephew of the late Mr. Pierce, as administrator of the estate.

The Chieftain on Thursday afternoon, at the store in Bayfield, was told by an employee in the former Pierce store that for a while, at least, the new proprietors will operate both stores. The Chieftain called at the Beach store for information relative to their plans, but both members of the firm were out of town.

For more than 20 years the Beach brothers have been closely identified with Bayfield and its trade territory since they began their merchandising career there by acquiring the H. C. Schroder general store in Bayfield at the time Mr. Schroder retired. By honorable methods and the rendering of service the Beach brothers have won their spurs and a host of friends.

This deal gives Bayfield the distinction of being the home for the largest general store in the Pine River Valley.

Vote for G. E. Trone

Judge G. E. Trone at the urgent solicitation of more than a score of the best citizens in this community consented to become a candidate for justice of the peace. You will find his name on the Republican ticket in the election next Tuesday. You can vote for him with the assurance that if he is elected he will not make fish out one person and fowl out of another. Mr. Trone came to the Pine River Valley, from Kansas, 30 years' ago, and has resided in this section ever since.

Mr. Trone owns two ranches

in the Bayfield section. Every vote cast for Mr. Trone is a vote favoring fair administration of justice, greater respect for law and order and a more prosperous community.

Mr. Trone served as justice of the peace here by appointment several years ago, and his decisions, when appeals were taken, were invariably upheld by the higher tribunal.

The Republicans will hold a final big rally at Old Fellows Hall in Ignacio next Monday evening, to be followed by dancing. S. B. "Dad" Wonder, candidate for representative, is to "tell 'em the truth" in the keynote address. It's all free, and everybody is invited.

Glenn Payne still uses crutches at the home of his brother, Harold Payne, in Ignacio, as the result of injuries incurred about three weeks ago in an automobile accident, but is making a satisfactory recovery. He was brought here from Gallup last Sunday.

Mrs. Dora Mitchell gave a shower in honor of Mrs. Frances Briggs-Tubbs at her home, Friday, Oct. 26, at Allison. Over 60 persons were present and the numerous useful and beautiful presents for the young bride attested the high esteem in which she is held.

Halloween celebrators at Bayfield cut the wire fence around Vernon Elofson's home, in many places. And this with eleven millions of men, women and children in the United States facing starvation.

W. C. Burton and family have moved to Durango.

W. I. Gifford, county commissioner for the first district the past four years, who is seeking reelection, was mingling with the citizens in this section last Tuesday. Commissioner Gifford is one of La Plata County's most highly esteemed citizens. He has resided in the county 28 years, and for 14 years he served the State of Colorado as a member of the State Board of Agriculture, a position that carried no salary, but did pay his and the other two members' travelling expenses. Mr. Gifford now resides at Hesperus and at one time operated one of the largest coal mines in Colorado.

He for several years resided in Durango, and was a member of that town's school board at the time the magnificent High School Building was erected.

Mrs. Roy Farrow, of Bayfield, was taken ill, suddenly, last Sunday afternoon, and was rushed to a hospital in Durango for treatment. She was able to return home, Wednesday.

BERTHA M. PAINTER

CANDIDATE FOR COUNTY SUPERINTENDENT OF SCHOOLS
for La Plata County, respectfully solicits your vote and support in the General Elections, Tuesday, November 6, 1934.

I live on a farm and am sure I understand the problems the farmer faces; have taught in county 14 years; have always been active in P.T.A. and other community work for betterment of a community, home environment and school life.

THE IGNACIO CHIEFTAIN

McDevitt's Chances To Win Are Good

Reports received in Durango, from many sections of the 4th Congressional District, indicate that Harry T. McDevitt will be elected to represent the district in the next Congress.

It certainly behooves the Pine River Valley folk to accord Mr. McDevitt a tremendous support, since he is heart and soul for the big reservoir on the Pine River, 22 miles north of Ignacio, and that is what this section wants and needs.

The Chieftain took the stand more than a year ago that every member of Congress who has seen twenty or more years' service should be defeated as fast as the opportunity arises, and The Chieftain today is a stronger advocate of such a procedure than it was more than a year ago. The Chieftain contends that the National Congress for the past 25 years has devoted its efforts to enacting laws that were and still are inimical to America and the American people.

Harry McDevitt has already done more for the San Juan Basin folk with his newspaper than any Congressman has ever done, and as a small token in appreciation San Juan Basin folk can well afford to do all within their power to help land him a seat in Congress.

Pine River Valley Man For Tax Assessor

And the Pine River folk have a candidate for County Assessor who is worthy in every way of their support at the polls next Tuesday—Wallace H. Owen, of Bayfield, where he has resided since 1908. Mr. Owen is a well educated man of good address. After coming to the Pine River Valley from Massachusetts he married a Bayfield girl, and they have three children, two of them in Fort Lewis College and the youngest in the Bayfield High School. Mr. Owen has been as-

T. J. Robertson and daughter, Mrs. John Perino, recently returned from an extended trip thru Texas, Oklahoma, Missouri and a visit to A Century of Progress.

This is the open season for politicians, and you meet them on all highways and byways.

The children of Tiffany School were delightfully entertained at a Halloween party, given by their teachers, Friday evening, Oct. 26. Dainty refreshments followed their fun and frolic and dispelled all fear of the season's bogey man.

A large number of Tiffany folk attended the harvest supper and dance at Allison, last Saturday night.

The harvest supper and dance at Allison Grange Hall, Saturday evening, Oct. 27, was a signal success. It was sponsored, and ably managed, by the members of the Allison P.-T. A., an organization recently formed at Allison. Everyone in the community generously supported the affair. Two hundred persons were served with supper and 400 were present, including all of the candidates. Mrs. T. E. Childress gave a reading that delighted the audience.

Tiffany News

By MRS. J. F. HANKINS

Mrs. Inez Spurgeon, of San Diego, arrived, Oct. 21, to spend some time with her father, Wm. P. Davis.

Mrs. F. M. Engler, Mrs. E. E. Hively and Mrs. R. P. Hott, who have birthdays 16 and 17 of October, were tendered a surprise party at the home of Mrs. Engler, Wednesday, Oct. 17, by a group of Tiffany ladies. A fine dinner, music and social conversation filled the short day, and all look forward to the next birthdays of these two for another pleasant visit.

Mrs. William Heber and Mrs. Fred Altman returned, Tuesday, from a ten-day visit in Denver.

Another lot of cattle purchased by the Government were shipped from here Oct. 26.

Mr. and Mrs. L. E. Campbell have a new son, born Oct. 10; and Mr. and Mrs. Nelson Mackay a baby daughter, born Oct. 8.

Miss Clyde Davis, who has been visiting her grandfather, Wm. P. Davis, left last Saturday for her home at Ponca City, Ok.

Tiffany is becoming musical-minded this season; under the direction of Mr. and Mrs. F. M. DeVorss we have song practice and study each Wednesday evening, which draws out a large crowd.

Reasons Why the Voters of La Plata County Should VOTE the Straight DEMOCRATIC Ticket:

PRESIDENT ROOSEVELT'S ADMINISTRATION should be given ample time to carry out to a successful completion, a program of better times and permanent rehabilitation for the entire Country.

The President should not be hampered in his efforts to bring this Country back to normal times—by giving him a solid Democratic vote, National, State and local we will assure him that the people still have faith in his policies, and he can be assured full strength of the entire Nation helping him carry out those policies. The chain is no stronger than its weakest link—and one Republican office holder tends to weaken the chain and impede National recovery.

In the past twenty months our President and the National Administration has taken huge strides in bringing about permanent stabilization of our economic and financial institutions. True, the Administration has not fully accomplished many of its constructive policies, but no one can deny that during those twenty months it has done far more in bringing back normal times than did the HOOVER ADMINISTRATION in the previous three years. Because of Republican failure the voters turned to Roosevelt and the Democratic party in 1932, because a definite program

was outlined and the people had faith in the ability of Roosevelt to carry out that program. Fully realizing the tremendous task he was faced with, he did not hesitate in taking drastic steps in alleviating their ills.

Our Republican friends heap criticism upon the Administration, but they have not come forward with one constructive idea, they are merely trying to get votes by condemning everything Democratic. At least they have unmitigated nerve, after the wonderful records of the Grand Old Party, to criticize the efforts of an Administration that is endeavoring to undo the mistakes of previous Republican administrations.

The State and local Democratic ticket presents to the voters men and women of the highest type, all well qualified to fill public office and conduct the public business. If it were not so there would be no justification in seeking your support. Since the qualifications and integrity of the Democratic candidates cannot be questioned then the voters should support them at the polls, and in doing so you will assure the National Administration the necessary co-operation for carrying to a successful end the tremendous program IT has undertaken, which when carried through, will bring about a return to normal times.

Vote Straight DEMOCRATIC!
